**Von Jonathan Gennick : Oracle SQL\*Plus - kurz gut** before purchasing it in order to gage whether or not it would be worth my time, and all praised Oracle SQL\*Plus - kurz gut:

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Sehr gut zum schnellen Nachschlagen geeignetVon Ein KundeWer gerne wissen mchte, wie nochmal der Befehl hie, um die

Ausgabe von SQL\*Plus für einen Report von Leerzeichen zu befreien, wie die Seitenlänge mit Befehlen eingestellt oder der Anmeldeprozess verkrüppelt werden kann, ist mit diesem Buchlein gut bedient. Man findet hier schnell und einfach die wichtigsten SQL\*Plus-Befehle, die man im Tagesgeschäft so braucht. Aber Achtung: Es handelt sich hierbei nicht(!) um eine SQL-Referenz, sondern um eine Referenz zum Werkzeug SQL\*Plus, das man für Oracle-Datenbanken einsetzen kann.

Über den Autor und weitere Mitwirkende Jonathan Gennick is an O'Reilly Associates editor specializing in database and programming titles. Prior to joining O'Reilly, Jonathan amassed some 17 years of programming and database management experience. During the latter part of his career he specialized in relational database programming, and more recently in database management. Jonathan got his start with relational database systems in 1990, first working with Ingres, and later with Digital's Rdb software. During that period he developed a fondness for SQL, and for the challenge of applying SQL creatively in ways that leveraged its set-oriented capabilities. In 1994 Jonathan made the leap to Oracle, and is now often found writing about it. Recent projects include Oracle SQLLoader (O'Reilly Associates, 2001); Oracle SQLPlus Pocket Reference (O'Reilly Associates, 2000); Oracle SQL\*Plus: The Definitive Guide (O'Reilly Associates, 1999); More recently, Jonathan has made forays into other database products, coauthoring Transact-SQL Cookbook (O'Reilly Associates, 2002) and editing Practical PostgreSQL (O'Reilly Associates, 2002). Jonathan is certified as an Oracle DBA and is a member of MENSA and the Oracle Technology Network. He holds a Bachelor of Arts degree in Information and Computer Science, with a Business Administration minor, from Andrews University in Berrien Springs, Michigan. Jonathan currently resides in Munising, Michigan with his wife Donna and their two children: Jenny and Jeff. Jonathan may be contacted by email at [jonathan@gennick.com](mailto:jonathan@gennick.com), and you can learn more about him personally by visiting his website at <http://gennick.com>.
